

Future Performance Training
Reinvent Yourself

Welcome to our online learning

Dear Student,

We at Future Performance Training would like to welcome you to our online-learning platform where you can access various accredited courses and qualifications.

Our courses and assessments are easy accessible. Easily navigate through lessons, topics and assessments.

Each course has its own private group where you can communicate with other students as well as with your group leader at any given time. You will be invited to web based classrooms where you will engage in interactive sessions with other students, lead by a subject matter expert.

About us

Future Performance Training, Est.2006 is an accredited Education and Training institution offering courses, skills programmes, qualifications and Learnerships through blended learning. This will allow you to complete online learning through guided self-study, attend virtual classrooms, interact with students through group discussions and attend assessment sessions.

Certification

All of Future Performance Training's courses and qualifications are accredited and therefore you will receive recognition through certification once you have successfully completed your study and your portfolio of evidence has been endorsed by the SETA.
